Welcome!

Whether you're a first-time visitor or longtime friend, we're here to help you! We have teaching as our first love so it's easy to keep that a priority. Almost all of our employees teach classes and in the course of a regular day a lot of extra teaching is done - from showing someone the Kitchener stitch to explaining what a yo means.

Our shop and classroom space cover more than 8,000 square feet chock full of colorful yarns, patterns, buttons, dyes, books, just about anything your heart may desire.

Shuttles offers a wide range of classes in knitting, crochet, weaving, spinning, felting basketry and more. Download the current class schedule from our website: shuttlesspindlesandskeins.com or come into the shop and pick one up.

Diagonal Shell Crochet Cowl

By Suzanne Connolly Howes & Margaret Tullis

Supplies

- ☞ Yarn: approximately 220 yards of worsted weight yarn; our sample used Jojoland's Splatter Dash yarn.
- ☞ Hook: US G

Gauge

4 dc = 1"
3 shell rows = 1"

Size

25 inches by 7.5 inches

Stitch Abbreviations

- Ch chain
- Dc double crochet
- YO yarn over
- Edc extended double crochet foundation stitch

Directions

Foundation Row- 97 stitches.

To create a foundation row: Chain 4, YO, insert hook into 4th chain from hook, (YO and draw up a loop, Ch 1 and then complete as for regular dc: Extended dc [Edc] made). Repeat Edc for 97 stitches, working dc in ch1 of previous Edc stitch. Being careful not to twist work, join with a slip stitch to form a circle.

Hint: For each foundation Edc, pinch and hold the previous ch 1 to more easily see where to make next Edc.

2nd row- 20th row

Chain 3, 2dc in same stitch to make a shell of 3. *Single crochet into next stitch, skip 2 stitches, 3 dc in next stitch*, repeat between * until you have 20 rows of diagonal shells.

Finishing row:

Dc into every stitch to create an edge around the cowl, slip stitch into last dc and tie off.

We invite you to come in, take a class, ask some questions, or just say hi.
